# FIRST CLASS 1986

Having the title "senior" will always have a special meaning. The class of '86 was considered even more special — they were the first seniors, the first class. There were many firsts this year, the first incoming class since 1982, the first Homecoming, and the first Honor Society were just a few. The 1985-1986 school year was definitely a First Class Year for everyone all the way — the first, the finest.

## **OPENING 4**

Just a glimpse of what the rest of the book will look like — a lot of class, style, and most of all, many memories are all part of this "First" section.

## **STUDENT LIFE 10**

All the things that make up a day for us are included in this section, at school, after school, at play, at work, the laughing and the crying.

## **WORLD EVENTS 24**

During the school year, many things took place. Here we have highlighted some of the major occurrences of the year from the best and the worst of times.

## **ACADEMICS 28**

The academics section deals with all the personnel in the school who develop our traits and qualities to make us the best possible people.

## **PEOPLE 48**

Each student at Ridgewood is featured in this section. Starting with the seniors, and ending with the freshmen, here is where our children say "Gee, you looked funny back then ..."

## **ORGANIZATIONS 94**

Here, all the clubs and groups in the school are identified. With all the work everyone has done in all these organizations, they deserve a lot of credit.

## **SPORTS 114**

The athletic departments highlighted here with all the teams and some of their scoreboards. The action has been frozen, but not cooled.

## **CLOSING 154**

Here, all of our sponsors get together and we give you one more look at what the year was like. The message is simple — just wait 'till next year.

# IN THE OF ALL

As we went along with our not-so-normal days, we were usually too busy to sit back and figure out what it all meant. It wasn't a secret that most of us were as bewildered as the rest. A day here sometimes meant rushing to school to claim that special spot in the student parking lot, or heaving a sigh of relief when your name wasn't called out over the intercom to go speak with the dean about the tardy policy. A day could also involve money, as a band member forms a single line for all the people flock to him to buy M & M's. Possibly it meant freezing in the classrooms in the fall and spring, and boiling in them in the winter. Someday maybe somebody will be able to figure out our school's erratic heating and cooling system. Only toward the end of year did we recognize the significance of all this. Suddenly, our routine days were becoming memories, and we started saying "Remember when ...?"

Above, David Parker takes a break and lets his true feelings show. To the right, Debbie Wenang and Angie Sampson have an inquisitive chat in the cafeteria. On the opposite page, top, Kim Celotto lets her homework go for more important things in life. Below, model Steve Rosalia poses Ms. Suttel's photographers and homemade cameras.

# ACHIEVING ACADEMICALLY

The first step in achieving academic success is to set a goal. This goal should be specific, measurable, achievable, relevant, and time-bound. Once you have set a goal, you need to create a plan to achieve it. This plan should include a timeline, a list of tasks, and a list of resources. Finally, you need to stay motivated and focused throughout the process.

The recipe was simple. Mix the ingredients carefully. Add pie and watermelon eating contests and a rootbeer chug. Blend the muscles from a tug o' war, the endurance from a tricycle race, and the coordination from a water balloon toss. Let the crowd cool and top the masterpiece off with whipped cream (right in Mr. Hulton's face!)

# Homecoming

Finally we have reached our destination. The crowning of our queen! The evening was perfect and the ladies looked beautiful as the crowd, the

for our homecoming queen to be announced. Smiles and tears of joy were shared by all as Marylou Orlando received the title.

Marylou was rewarded with an honor similar to this last year when she was crowned the 1995 Fall Football Festival queen. Twice she has been announced our queen and twice she was our first choice. She is more extra special. Marylou's name will long be remembered as the queen of our football festival, but more importantly as the queen of our spirit at the homecoming.

While Joey Stenger (right) prepares refreshments at McDonald's, Sam Southard (left) bags for Matt Lanphear (below) and Steve Petrizzi (bottom right) collects the Kash N' Karry carts. This way they can hurry over to Grace Landi (middle left) at Camelot Music to beat Brad at the great buys. For Duntan looks disappointed because she's still busy cleaning up the leftovers from their lunch at Soup To Nuts.

As Jennifer Campolettano (middle left) and Wanda Squires (bottom left) work diligently at Chik-Fil-A and McDonald's Kim Celotto at Kash N' Karry (top left), Chris Bocker at Robbie's (Top right), and Jeff Halick at McDonald's (bottom right) prepare for the weekend, Kim will supply the drinks, Chris, the transportation; and Jeff, the money!

# ELENA'S PATH

You were truly a good news doctor. She is below is what happened when the San-Cosco was hit by Hurricane Elena. To the right is a satellite shot of Elena as she whirled closer and closer to Belize during Labor Day weekend. This photo was snapped at 10:34 AM on Sunday, September 11, 1994. New York City residents fled to the subway during the mandatory evacuation. Below, right: residents sleep quietly in the Media Center. Below, bottom: a coastal home receives damage from high winds and pounding waves.

# WHAT HAPPENED

Riots were an almost daily occurrence in South Africa as blacks protested Apartheid. In photo on right, a white man runs from a mob of stone-throwing blacks in downtown Johannesburg as widespread violence continued to breakout throughout the country. Another attempt Apartheid came from the famed Little Richard. He and many rap and rock stars formed to release the song "SUN CITY". Below, Cincinnati Reds player-manager Pete Rose broke Ty Cobb's career hit record in September. The historic hit was No. 4,192 to break the old record. Below right, a Trans World Airlines jet with 145 passengers and eight crew members was hijacked in Athens, Greece, in June. The Shiite hijackers took the plane to Beirut, then to Algeria and then back to Beirut. Most of the hostages were released within days but the remaining 39 hostages were held for 17 days. One American hostage was killed.

# PEOPLE IN THE NEWS

Left: four prominent actors died in late 1985. Rock Hudson, (T-L) 59, after a battle with AIDS. Orson Welles, (T-R) 70, of a heart attack. Yul Brenner, (B-L) 65, of cancer. Lloyd Nolan, (B-R) 83, after a battle with lung cancer.

Below: President Reagan and Soviet Leader Mikhail Gorbachev talk in front of a fireplace at the Fleur D'Eau Tuesday, November 19, in Geneva. Right: President Reagan gives the A-Okay sign from his hospital window in July after undergoing surgery to remove a cancerous tumor from his lower intestine. The 74-year old president was back on the job within weeks after the operation.

# ACADEMICS

This year with new courses and new teachers, the academic departments have done an outstanding job in their quest for excellence for the first graduating class. The teachers have been diligently working with students, helping them comprehend the information that they will need after high school. So now we introduce to you, the courses and people helping the students achieve to the best of their ability.

The 1985-86 school year will reflect many new courses within each department due to Ridgewood becoming a four year high school.

In Physical Education, many new subjects are offered: Wrestling, Aerobics, Dance, Tennis, Volleyball, Softball, and Basketball. Some new faces in the P.E. Department are Coach Schmitz, Coach Castelamare, and Coach Clum.

Our growth is not limited to the P.E. Department only as our Vocational Department has also expanded. These courses help our students learn about nursery, agriculture, construction, and graphics. One new course introduced this year in the Vocational Department is Ornamental Horticulture.

Also within our Vocational area is the Business Department. These classes help students looking for a future in business. The Business Department also offers the Future Business Leaders of America (F.B.L.A.) Club, for interested students.

Linda Elkins, Manager of the Adult Community School

The Adult Community School, held here at Ridgewood, is managed by Linda Elkins. She is assisted by Denise Bready. This way of education is held for people who want a diploma, but don't want to go to day school. The classes are held on alternate nights and are a good form of an alternate education.

The guidance office was a most familiar place among students. This office was for more than just guidance, it was also a clinic, the Career Resource Center, and a place of records and files of students. Mrs. Coburn helped aid the sick, while Mrs. Wilder and Mrs. Wipert worked with attendance and student files. Mr. Zill, Mrs. Trapp, and Mrs. Nelson helped counsel students with problems ranging from personal problems to questions on colleges. To round off this crew is a new member, Mrs. Wentz. She helps everyone with college and career plans for the future.

# FIRST CLASS SENIORS

Keith Sibo was born March 6, 1968 in Dunedin, Florida

Keith's activities include baseball, basketball, football, and track. His awards include all conference for basketball. In football, he was selected all conference, voted most valuable player, and received the coaches award. For track, he received all county, all conference, district champ, most valuable player, and coaches award. Also male athlete of the year in 1984. Last year he was chosen King Neptune for the Ramantis Dance.

Keith says his biggest obstacle is the cross bar and his father is his inspiration. Keith's determination is due to the fact that his father held two track and field records at Gulf High School, which still stand today.

When asked about his most memorable moment, Keith replied "I remember one meet when I could barely clear 9 feet. Two days later I cleared 13 feet."

Julie Stenger was born in New York City. When she was thirteen years old, she moved to Florida and enrolled in Ridgewood Junior High.

Julie has been involved in numerous school activities. She has been a cheerleader for four years. She was a member and president of the National Junior Honor Society. This year she became a charter member of Ridgewood's National Honor Society. She represented our school at the American Legion Oratorical Contests which eventually led her to be selected for Girls State this year. Due to a Rotary Club seminar for leadership which she attended in Tampa, Julie was prepared to set up the first Interact Club at Ridgewood to which she was elected president for two years.

For her athletic activities she has earned varsity letters in track for which she ran the mile relay, 220 yard dash, and 440 relay, and in tennis for which she was an alternate.

**Cathy  
Clifford**

**David  
Remisiewicz**

Catherine Nan Clifford was born June 30, 1968, in Long Island, N.Y., and moved here when she was four.

Cathy plays basketball, volleyball, and runs track. She was also a cheerleader in tenth grade.

Cathy really loves Ridgewood High School. She enjoys the fun, friends, and the education. Cathy feels really special to be in the first graduating class in Ridgewood history, not many people have this opportunity.

After high school, Cathy would like to play college ball, and possibly major in Marine Biology.

Cathy would just like to say "Thanks Ridgewood, you are the best place around."

David Remisiewicz was born on December 4, 1967, in Miami, Florida. His family relocated to this area early in David's life.

David has three major goals. He wishes to be the best person that he possibly can be. To achieve this he never completes a job without doing his best.

David wishes to become a doctor, and consequently he is doing his best in school. He has maintained a 4.0 grade point average throughout high school.

David's third major goal is to run in the 1988 Olympics, and to be the best in the world. To help achieve this goal he has run cross-country and track all four years that he has attended Ridgewood High School. He has been state ranked in both sports.

# BACK IN TIME

Remember  
it was so bright when I came I all day but we  
still had a lot of fun

Remember  
powder puff football and those great  
cheerleaders

## Memories

Memories like the corners of my mind  
misty, watered colored memories  
of the way we were  
Scattered pictures  
of the smiles we left behind  
that we gave to one another of the  
way we were  
can it be that it was all so simple then  
or has time rewritten every line  
if we had the chance to do it all again  
tell me would we? could we?  
memories may be beautiful and then  
it's what's too painful to remember we  
simply choose to forget  
it's the laughter we will always  
remember  
whenever we remember the way we  
were

Remember  
Prom night when Keith Sbr and  
Hebbie Jordan were crowned  
king and queen

Remember  
Senior pictures and getting  
out of class

# We're Great "88"

On this page every day Sophomores doing every day things. They are seen hard at work and hard at play. There are even some just posing for the camera

As the class of "88" most of the Sophomores have been here since the seventh grade. With Juniors and seniors, they have seen Ridgewood in its transitional period changing from a Junior High to a High school. They have been at the bottom for three years and now are moving up. This in turn giving them a new sense of pride and school spirit. The class had no problems getting organized for the first time. They started out with a treasury of nothing and earned over two hundred dollars in their first week as a united class. In so doing they won second place in the Homecoming festivities

Below is the back of the Sophomore float

Though the Sophomore class is not the "First Class", they have truly earned the right to be recognized as first class

The Sophomore Class would like to thank Cathy Ardizzone and Barbara Pizzo for all the help they have given them in getting started

Christine Breviano

by: Pamela Ball

Christine was born on March 26, 1971 in Queens, New York. She is now 14 years old. Her family moved to Florida 11 years ago. She has one sister and two brothers. Her best friend is Joann Taylor. She has been a cheerleader for two years. She was captain of the Bayonet Point cheerleading squad in 84-85. Christine is a junior varsity cheerleader for basketball and football this year. She was on homecoming court as a freshman. Her hobbies include cheerleading, football, and softball. Her favorite food is pizza (like everyone else's). Her favorite subject is language arts. When she finishes high school she wants to become a fashion designer or a cosmetologist. When she gets going on her career she will get married. She wants to have twins (boys or girls). When she finishes high school she wants to move to California. Her favorite TV show is Webster. She loves to go to the mall so if you're lucky you might catch up with her there.

# ORGANIZATIONS

Along with the addition of seniors to Ridgewood, came several clubs and organizations. Each aided in making Ridgewood a complete school. Among the new clubs were the newspaper club, dance company, vocal ensemble, and National Honor Society. Interact, FBLA, and the Nurserymen's Association were introduced last year, and are doing extremely well.

Top right, Jean Sheridan expresses happiness as she works in the Ramshad. Far left, Steve Martin poses for his band picture. Above, Patrice Tindall and friend assist photographers during picture day.

# NATIONAL HONOR SOCIETY

The National Honor Society is a group of students who have achieved high academic standing and are recognized for their achievements. The group is composed of students who have earned a minimum of 3.5 GPA and are recommended by their teachers. The group is organized into chapters at each school and is a part of the National Honor Society of the United States.

# CREATORS OF OUR FONDEST MOMENTS

Capturing the spirit, class unity, and pride of a school year is almost an impossible mission. Organizing these articles and putting them in a yearbook is equally difficult, yet the Rampage staff has managed to accomplish this task.

After compiling an amalgam of pictures and captions to accompany them, the yearbook staff then practices drawing layouts of "units" which later become the actual pages in the yearbook.

Designing the yearbook is the major function for the year, but with it, the yearbook staff also takes part in other school activities.

During homecoming week, it was the yearbook staff members who decided that the school should have a "big day" - lucky four's day and a "big day".

Mrs. Mary Taylor, the club sponsor, stresses the importance of meeting deadlines and using fresh, creative ideas in layouts.

Working in the yearbook staff is a form of journalism, and gives its members added experience in creativity which can be used in any field.

Members of the 1985-1986 Rampage staff are: Matt Maledneck, Ann Scannura, Michelle Jos, Heather Waymoe, Anson Johnson, Stacie Faulkner, Anson, Jeff, Robert Smith, Margaret Meador, Michelle Prichard, Mrs. Taylor, Darrell, Charles, Pam Ball, Kelly Klein, Ken Rivers, Sue North, Africa Trickett, and Joe Stenger. Not pictured: Kim Chella, Sean Sweeney, Scott Van Bumble, and Wes Ball.

# LIFETIME MEMBERS

## SAYING "GOOD-BYE" TO SOME SPECIAL PEOPLE

The members of the Rampage staff would like to dedicate a special "good-bye" to 5 special seniors. These seniors have devoted much of their time here at Ridgewood to working on the yearbook staff. One may think it's an easy job, but rest assured it is not. It is a job that not only involves the need for talent, but also for creativity, dedication, and patience. For those of us that will still be here and on the staff next year, we will especially miss these people. We hope to continue to achieve the standard of excellence they have set for us over the years.

# EMERGENCY CALL . . .

Jeff Thompson Kelly Klein, John Moschner

As a relief valve for student output, the student council's main function is to relay student's ideas, complaints, and suggestions to the administration.

While carrying out this important assignment, the student council also attempts to make the school year an enjoyable one for both the faculty and student body.

The officers of Ken Jahring, Bill O'Bryan, Jimi Abbey, and Sue Zemp combined their efforts to give Ridgewood a talent show, powderpuff football game, and, as promised last year, scholarships to worthy students.

A special committee within the student council worked on creating a new constitution for the school. The constitution can be used as a model for other clubs to follow.

Mr. Petrashek and Mrs. Trapp are advisors to student council.

# NURSERYMAN'S ASSOCIATION — FFA

Led by Mr. Robert Janes, the Nurserymen's Association aids in the beautification of our school. It is their task to manage the garden by the vocational centers, or "land labs", and to use their ornamental horticultural skills to make barren parts of the school appealing to both visitors and students eyes. After planting the shrubs, trees, and flowers, it is also their job to keep them attractive through the year by watering, trimming, and weeding them. The Nurserymen's Association is affiliated with FFA, and several of its members will actually become future farmers of America.

Members of Ridgewood's Nurseryman's Association are Brian Beckman, John Savage, Robert Osteen, Jim D'Honat, Dawn Guthrie, Fred Hudson, Chris King, Ed Mahoney, John Moruca, Eric Niles, Neal Patsches, John DeCubellis, John Brown, Kevin Reich, Don St. Croix, Andy Phillips, Andy Kempf, Phil Mulliner, and Mr. Robert Janes.

# SPORTS

Through the year we have watched as our Rams experienced the thrill of victory and the agony of defeat.

With this year we became a full fledged high school. No longer can Ridgewood claim it wasn't fair, they're bigger. Being new to the game, we definitely held our own providing an outstanding year in sports. We can be proud of all our Rams, with their new found players and advantage, we can expect to be proud of them in the future also.

The emphasis on learning is the first step on becoming the champions of the future

Captain Julie Stenger was chosen as one of the ten finalists for All American Cheerleader out of over 300 girls.

The 1985-86 school year produced the best varsity-football cheerleading squads Ridgewood has ever known. It included the most talented and spirited girls the school could offer. Working as a team, they strove for one common goal — to cheer the best they could for the school they loved most. On the road to excellence, they attended cheerleading camp at which they achieved some of their dreams. Throughout camp, they were judged superiors on many occasions. By demonstrating cooperation, dedication, skill, spirit, and friendship, they were chosen as one of the five Award of Excellence finalists out of forty squads.

# BOOSTERS

Soccer has not been a well noticed sport in our school, just look at most of the turn outs at each game. Hardly comparable to football or basketball. This is why Coach Houe worked to get Soccer noticed in Pasco County. In 1983 the Ridgewood Junior High Soccer team went undefeated, it is only right for them to be the first High School team in the county to go to state competition, what a great way to get recognized.

First they won Districts, after that they won Regionals against Orlando. Then unexpectedly they won Sectionals against number one ranked Daytona. Soon it was off to state. The games were played at Ridgewood home turf. There they got the recognition they deserved. The stadium was packed unlike before. Neither football nor basketball had such a turn-out.

However we were beaten in the last round before the final championship game. Our eyes were full of tears but we cheered them on with a sense of pride as they walked into the locker room.

Since both first and second place teams are private schools, our school has the distinction of having the number one public school Soccer team. Nothing to be ashamed of at all.

This page is dedicated to the soccer team who worked very hard to make it to state competition. Though they lost the State Championship, we at Ridgewood consider them to be true champions. We would like to wish the senior class athletes well on the soccer team and every other team when they leave Ridgewood.

The 1985-86 school year has been impressive for all Ridgewood sports. Their records have either been maintained or improved. We would like to congratulate all Ridgewood athletes because in our hearts and minds they are all number one.

When the hoopla is over, and the  
year is done,  
We leave this place, with our  
memories,  
Ready to create new ones, and  
face everything  
with some confidence, some fear,  
but most of all, pride.

I would like to dedicate this page to MY FRIENDS — each of whom has shared with me special moments — can never forget. Whether I mention an ongoing joke or an instance of fun, my memories of you will last forever. Also, I would like to thank the faculty and staff for helping me. All of you have played a great role in my years at RHS.

Space did not allow for everyone — I'm sorry. The impression of your name may not be on this page, but it is in my heart!

Lots of love and good wishes,

*Kelly Klein*

Tina,

Where did they go, the years I mean, where ever did they go.

The ones between the diapers and a car that sometimes won't go.

You've done some things you shouldn't, and a lot of things you should.

But never could we say the bad out weighed the good.

And if sometimes, as most folks do, we fail to let you know, remember how much we love you and your smile always aglow.

Your fathers are not with you now, they cannot be replaced. We are not whole, a part of us has faded now and gone.

Always remember your fathers, Steve and Pat, loved you as only fathers can.

Your strength has allowed you to keep your back straight and your head high. Your character allows you to feel pain, deal with it, and yet move ahead.

Still through all the stress and strife you managed to carry on.

Yes Tina, I am filled with pride, there is no "if", "and", or "maybe". Through it all, you turned out fine, and ended up a lady.

I love you,

Mom

dedicated to the memory of  
Tony Vellucci, Lorri Skrzypinski  
and the crew of the Space  
Shuttle Challenger**

Dear Lorri,  
 Please forgive me for all the things I've  
 said and done. There was no purpose for  
 the fight I thought I'd won. It wasn't worth  
 the pain my heart suffered through during  
 the few weeks I tried not liking you. No  
 matter what happened in the past, I  
 hoped our friendship would always last.  
 Now it's too late to say I'm sorry, so I'll go  
 leaving this one thought in mind. I'll  
 never forget you.

# FINALLY

The year has come to an end, with the production of an outstanding yearbook. It doesn't seem like it was that long ago when we came to Ridgewood for orientation. Many of us have grown up together, going to the same elementary school, Cypress, Calaveras, and now we are graduating together. The final days of high school are drawing near, after which many of us will be flying off to college. This may be the last time some of us will see each other until our first homecoming, first prom, and now first graduation, first step to a first class reunion. I'd like to give special thanks to Mrs. Calhoun and Mr. Sbani for their photographic expertise throughout the year. Extra special thanks go to Mrs. Taylor, who has earned my eternal gratitude, love, and respect, for putting up with me and the Rampage staff. For my staff, what can be said? We've been enemies and friends, opponents and partners, usually within the same class period, but you are all still the very best there is. To the rest of Ridgewood, there is no better and although many of us are leaving, the memories we have will be kept forever. Good luck with all that the future may bring.

Coach  
Kiss;

well it's been  
fun this year you  
visiting with can pay  
at least I can't say  
you taught me how to  
change a typewriter's ribbon!  
well I'll see ya again next  
year! p.s. don't let Julie bug you  
too much cause you'll turn out  
just as fruity as her! See ya next year!

Coach, it's been great, it's been real  
& enjoyed being with you in 1980  
you a great coach. Well I'll be  
back next year, & you'll probly  
see me in here again.

See ya  
next  
year
